Brian M. Cogan
U.S. District Judge

Dear Judge Cogan:

As you know, I have been retained by non-party respondent Richard Roe, in the above matter for the sole purpose of representing him in a motion currently pending before this Court for his current attorney, to withdraw in the above matter.

On March 30, 2012, your Honor issued an order extended my time to file opposition papers to April 16, 2012 and adjourn the motion to May 4, 2012.

At this time I am requesting my time to submit my opposition papers be extended one week until April 23, 2012 and the motion be adjourned accordingly.

The reason for this request is both the Easter and Passover Holidays and that I forgot my children are off from school next week and I, as a single parent, did have plans with them two days during the week.

I have attempted to contact the moving party's attorney Coleen Friel Middleton but she has not been in the office and has not returned my calls, but, she did previously consent to the adjournment I requested.

I have made contact with the U.S. Attorney's Office and spoke to Evan Norris who consented to this adjournment.

I spoke to Michael Beys attorney for John Doe who has also consented to this adjournment.

Your attention to this matter is appreciated, please feel free to contact me for any reason. Thanking you, I remain,

Very truly yours,
Arnold E. DiJoseph, P.C.
